maltron.2000@gmail.com

All songs written, composed, and arranged by
Steady Kambodji

Except track 5 written by
Joseph H Gilmore
composed by
William Batchelder Bradbury

Rise and Shine//

The morning bird sings her song/And fly about outside the window/Wake me from sleep night long/In the bath of
sunshine glow//
Come on baby, rise and shine/You've been sleeping tight and fine/Time to get up and getting ready/Brush your teeth
and clean your body//
**It's gonna be a beautiful day/Since you're right here to stay/Even if the sky turns grey/There will be light upon my
way//**
It's gonna be a beautiful day/Put your smile, don't walk away/All the time, all the way/I'm gonna be here always//
Gather your energy now/'Cause you'll be playing all day long/Till it is time to go/And sing the goodbye song//

Cozy Song//

The person you love is leaving you/No money but rent is overdue/You're hungry, no food in the kitchen/You'll do
anything for a slice of chicken//
The sky isn't always blue/The sun may not shine upon you/But I'll be here always for you//
If you feel under the weather/Even if you're feeling blue/Listen to my song and you'll be alright//
If you're not getting any better/Or if you don't have a clue/Listen to my song and you'll be alright//
Imagine a place where you have no fear/Makes your mind calm and crystal clear/Tidy yourself up, don't make a
mess/Shattering you like a piece of glass//

Youth Assemble//

Don't be sad, just go ahead/We got your back/Don't be shy, jump and fly/We got your back//
Stand on your feet/And grab your kit/Blow their mind and shine//
We are young, we are free/We are full of certainty/Maybe reckless, but not hopeless/We will be legendary//
**Because tomorrow, who will know?/Maybe dark, maybe brighter day/Keep your head high and let's go/Hold my hand
and make way/For the better future//**
Don't be sad, just go ahead/We got your back/Don't be shy, jump and fly/We got your back//
We are the best/From all the rest/Blow their mind and shine//

He Leadeth Me//

He leadeth me, O blessed thought/O words with heav'nly comfort fraught/Whate'er I do, where'er I be/Still 'tis God's
hand that leadeth me//
**He leadeth me, He leadeth me/By His own hand He leadeth me/His faithful foll'wer I would be/For by His hand He
leadeth me//**
Lord, I would place my hand in Thine/Nor ever murmur nor repine/Content, whatever lot I see/Since 'tis my God that
leadeth me//

Happy Birthday//

A simple but very sincere happy birthday greeting from me/From my deepest heart I say happy birthday to you//
This is the only thing that I can give to you today/I have nothing else to say but I hope that's okay//
Because a very sincere happy birthday greeting from me/Is nothing without warm love, kiss and hug from me to you//
I pray to God to give you health and strength along the way/And we can stay friends forever till the end o' the day//
A simple but very sincere happy birthday greeting from me/From my deepest heart I say happy birthday to you//
